

**TERMINAL DISCLAIMER TO OBVIATE A DOUBLE PATENTING
REJECTION OVER A PENDING "REFERENCE" APPLICATION**

Applicant: Gerald R. Black

Serial No.: 10/727,208

Group Art Unit: 2137

Filed: December 03, 2003

Examiner: Paul Callahan

For: SECURITY AUTHENTICATION
METHOD AND SYSTEM

The owner, PEN-ONE Inc., of one-hundred percent (100%) interest in the instant application, as currently claimed, hereby disclaims, except as provided below, the terminal part of the full statutory term of U.S. Patent 7,047,419 (Black); as the term of said prior patent is defined in 35 U.S.C. §154 and §173, and as the term of said prior patent are commonly owned. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of the term of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §154 and §173 of any patent granted on said reference application, "as the term of any patent granted on said reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application," in the event that such patent granted on the pending reference application: expires for failure to pay a maintenance fee; is held unenforceable; is found invalid by a court of competent jurisdiction; is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321; has all claims canceled by a reexamination certificate; is reissued; or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

For submissions on behalf of a business/organization (e.g., corporation, partnership, university, government agency, etc.), the undersigned is empowered to act on behalf of the business/organization.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

ASSIGNMENT OF PATENT APPLICATION

Whereas, I, Gerald R. Black of 30320 Southfield Road, #67A; Southfield, Michigan 48076, hereinafter referred to as applicant, did file United States Patent Application No. 10/727,208, entitled "Security Authentication Method And System" on December 03, 2003; I being the sole inventor and owner of rights to said Patent Application, and,

Whereas, Pen-One Inc., having a mailing address of 30320 Southfield Road, Suite 67A; Southfield, Michigan 48076, hereinafter referred to as "assignee," is desirous of acquiring the entire right, title and interest in the same.

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, I, the applicant, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention, as claimed, in the United States and the entire rights, title and interest in the Patent which may be granted therefore in the United States. I hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof; and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

Executed this 9th day of February, 2007, at Beverly Hills, Michigan.

Gerald R. Black
